Amendment No. 6
Contract No. SP-1913

JUN 11 1955

Lockheed Aircraft Corporation
Burbank, California

Gentlemen:

1. This document constitutes Amendment No. 6 to Contract No. SP-1913, dated 2 March 1955, between the Lockheed Aircraft Corporation, Burbank, California, and the United States of America and amends said contract as hereinafter set forth.

2. To more properly define and clarify the intentions of the parties hereto in regard to the reference to "Personal Property Tax" in paragraph 3 of Amendment No. 5 to Contract No. SP-1913 the following clause is hereby made a part of this contract:

" PERSONAL PROPERTY TAX

The final prices under this contract reflect amounts paid or estimated to be paid on account of personal property taxes against property to which the Government acquired title by virtue of the clause of this contract entitled "Progress Payments". Such amounts are based on assessments made or expected to be made against such property to the extent of the difference on the assessment date between the book value thereof and the amount of progress payments received. The Contractor agrees to have such taxes paid in such a manner as to avoid (1) any implication that payment is being made voluntarily by a suitable statement accompanying said payment and (2) to preserve all rights of refund as directed by the Government. If the Contractor is successful in obtaining a refund of any such taxes paid or obtains any substantial favorable change in the basis upon which such assessments are made, or if any taxing authority changes the basis upon which it makes such assessments so that the result would be a substantial increase or a substantial decrease in the amount of such taxes paid or estimated to be paid, it is agreed that the final prices shall be equitably adjusted if such prices shall similarly be equitably adjusted to

reflect any substantial subcontract price increases or decreases required by the terms of such subcontracts resulting from refunds or changes in the basis upon which assessments are made against property to which the Government acquired title by virtue of the articles in subcontracts corresponding to the "Progress Payments" clause in this contract. The equitable adjustments provided for in this clause shall be accomplished following written request by either of the parties of this contract and shall be negotiated on the basis of data showing the amount of increase or decrease in such personal property taxes. Failure to agree upon the amount of any such adjustment shall be deemed a dispute regarding a question of fact within the meaning of the clause of this contract entitled "Disputes". Any such adjustment in such prices shall be appropriately reflected by amendment of this contract."

3. All other terms and conditions of the contract remain unchanged.
